Press release

Naarden, 21 June 2010

Doug Meikle joins Board of Management Stork B.V.

It is our pleasure to inform you that Doug Meikle, CEO of Stork Technical Services, will join the Board of Management of Stork B.V. effective 1 July 2010. Doug will combine his current responsibility with his board membership.

The Board of Management of Stork B.V. will then consist of:

- Sjoerd Vollebregt, CEO and Chairman Executive Board
- Hans Turkesteen, CFO
- Hans Bouland, COO
- Doug Meikle, CEO Stork Technical Services.

Doug Meikle joined Stork Technical Services on 1 February 2009. Prior to joining Stork Technical Services Doug Meikle worked for Halliburton Company. He held several management positions, latest as Region Vice President Europe & Eurasia where he was responsible for the sustained earnings growth of multiple businesses in the oil field services sector.

Doug has been tasked since beginning of 2009 with integrating Stork's largest entity Stork Technical Services. Excellent progress has been made under Doug's leadership to transform Stork Technical Services to prepare the company for accelerated international development with an integrated product offering, serving globally active customers in the chemical, oil & gas and power sectors.
