PAUSE. THINK. ARE YOU REALLY READY?

- Conduct a 20 second scan
- Be aware of all risks, appreciate their impact
- Remain aware of hazards whilst away from the worksite
PAUSE. THINK.
RETURNING TO WORK: WHAT’S CHANGED?

IF RETURNING TO THE WORKSITE AFTER A BREAK:
- Do another 20 second scan, what’s changed?
- When you notice a change - stop, think, act and review
- YOU have the authority to stop the job
