• Challenge unsafe acts and ensure corrective action is taken.
• Always hold the handrail and stay to the left when on stairs.
• Never use a mobile phone either on the stairs or whilst driving.
• Take responsibility for obstacles or spills within the workplace.
• Ask for assistance when carrying a heavy or bulky load.
• Take ownership for safety by always reporting all incidents, no matter how small.
• Use a lid when carrying a hot drink.
• Observe and follow all safety signage.
• Support environmental sustainability by using resources efficiently, and minimising & segregating waste.
